“ It was an honor and a blessing to take care of Lorraine for the past five years, I am going to miss our morning conversations and her wit. Her family and loved ones are in my thoughts and prayers and May God continue to comfort them in the days ahead.

“ Dick and Mary Lou, I really enjoyed your mom. When I would take her to an appointment we had such nice visits about the olden days. Loved to talk about the old neighbor friends. Sorry I can't be there for the funeral, but you are in my prayers. She will be truly missed. Renaee

“ I was always trying to persuade Milt and Lorraine to vote republican. One day Lorraine said she would vote with me and Milt told her “ vote republican and you will be on your own “. Lorraine gave me a wink. They were great fun loving friends to many.

“ I’m so sorry to hear about Lorraine. I have lots of fond memories of her growing up in Montevideo. My mom bowled with her for many years. I was also honored to have Milt & Lorraine as my mentors during Confirmation. I’ll never forget going to their beautiful home and also the amazing, unforgettable experience going for a ride in their plane. Milt showed me how to fly his plane as Lorraine and my mom sat in the back. She was always so cute and bubbly. When Milt landed the plane, she said to him, “nice landing honey!” So sweet. My thoughts and prayers are with your family. Much Love, Gina Krusemark (Gort)
